### Youth Small Group Leader

A small group leader is anyone who chooses to invest in the lives of a few to encourage authentic faith.

We want all kids to have meaningful interactions, both inside and outside of small group, that influence their faith in Jesus and deepen their relationships with others.

Every Small Group Leader should do five things:

- **Be Present:** Connect their faith to a community by showing up predictably, mentally, and randomly.
- **Create a Safe Place:** Clarify their faith as they grow by leading the group, respecting the process, and guarding the heart.
- **Partner with Parents:** Nurture an everyday faith by cueing the parent, honoring the parent, and reenforcing the family.
- **Make it Personal:** Inspire their faith by your example by living in community, setting priorities, and being real.
- **Move Them Out:** Engage their faith in a bigger story by moving them to someone else, moving them to be the church, and moving them to what's next.
